Hello Jane,

So happy to hear the news yesterday that the Denver Teacher's strike is over and an agreement was reached! I have been thinking about all of you!

I wanted to check in about Tuesday, Feb. 19. We had discussed the possibility of me attending the community providers district advisory council meeting on Tuesday as well as meeting with you afterwards. I know we discussed that meeting afterwards with the new member of your team was on hold because of the hiring freeze but I wanted to follow up with you about the advisory council meeting. Unfortunately, I am not going to be able to attend that meeting if it is still happening on Tuesday as I have another meeting that I am required to be at here at CDE at the same time. Please let me know the next meeting date, time and location for that group and I will try to be there.

Thank you and have a wonderful, relaxing weekend! Take it easy!

Michele
